

## **What does Tax-Title mean?**

Tax Title lands are any tract of land acquired by the county for lack of other bidders at a tax foreclosure sale. These properties are called "Tax-Title." They may still be purchased from the County through a process called a tax-title sale. A Tax Title sale is separate from and should not be confused with the annual foreclosure sale held in December. The Grays Harbor County Dept. of Forestry and Tax Title Management maintains files pertaining to tax title parcels, however the County Treasurer is the only person authorized by law to sell any County owned parcels. If you have further questions regarding the parcels, feel free to call the Forestry Office at (360) 249-5071. However, if your questions pertain to an actual auction or sale, please call the Treasurer's Office at (360) 249-3751
