Re: Inmate Telephone & Video Visitation
Services

Dear Chairwoman Raines:

On July 25, 2016 the Grays Harbor County Sheriff's Office received eight (8) proposals in response to the Inmate Telephone and Video Visitation RFP that was released by the county. All eight proposals were evaluated and scored by the selection committee as set forth in the published RFP on August 12, 2016. The selection committee felt that six of the eight proposals warranted further evaluation before making a decision on which proposal the County would recommend to the Board of County Commissioners for final approval. On August 16, 2016 each of the six vendors gave a forty-five minute presentation about their submitted proposal to the following individuals:

- Travis Davis – Chief Corrections Deputy, Grays Harbor County Sheriff's Office
- Dennis Lusby – Lieutenant, Grays Harbor County Sheriff's Office
- Jason Wecker – Detective, Grays Harbor County Sheriff's Office
- Molly Anderson – Administrative Accountant, Grays Harbor County Sheriff's Office
- Kayla Morrissey – Corrections Deputy, Grays Harbor County Sheriff's Office

Immediately following the last presentation, each presentation was discussed and an agreement was reached that Legacy Inmate Communications should be awarded with an opportunity to enter into a contract with the Grays Harbor County Sheriff's Office.

We are asking the Board of County Commissioners to announce that Legacy Inmate Communication is the winning proposal and to authorize the Chair of the Board to sign the contract once we have reached an agreement. It should be noted by the Board that there is no cost to the County for this contract. This contract is to provide inmate telephone and video visitation services to those confined in the Grays Harbor County Jail and as a result Grays Harbor County Jail will receive a monthly commission from Legacy Inmate Communication.

Sincerely,

RICHARD R. SCOTT, Sheriff
Grays Harbor County
