

## PARK ACTIVITIES

A diverse program of competitive off-road racing and other events are featured at the park annually. These activities range from family and group outings to events that are state, regional, national, and international in scope. Seasonal event schedules are available from the Straddleline ORV Park office or off the Grays Harbor County website at [www.co.grays-harbor.wa.us](http://www.co.grays-harbor.wa.us). The park features a variety of four-wheel drive, off-road, motorcycle, and ATV events throughout the racing season as well as safety and education programs and skill clinics.

## CAMPING

Camping, which includes both individual and group sites, is available on a first come, first serve basis. The park's facilities can accommodate groups up to 5,000. Water supply stations and restrooms are easily accessible to all areas. Individual sewer and electricity hook-ups are not available. A trailer dump station is located on the site and there are no additional charges for use of the facility with each overnight stay. A \$5.00 charge is levied for users not camping in the park. An early arrival is suggested on major events..

## TRAILS

The park features over five miles of competitive and casual riding trails as well as access to the 80,000 acre Capitol Forest multi-use recreation area. Trails are available for all age and skill levels. The park trail system is open April through September. Capitol Forest is open from April through the end of October, depending on the weather. Because the park trail system and the Capitol Forest system are connected, the park provides an excellent staging area for trail and cross-country events and activities.

Another feature of the park is the children's motorcycle-style riding area, which is conducive to other motorcycles and bicycles.

## PARK FEES

ADMISSION/ ENTRY FEE	\$ 10/RIDER/DRIVER PER DAY

# STRADDLELINE ORV PARK

**Off-Road Recreation  
At It's Best!!**

*Grays Harbor County*

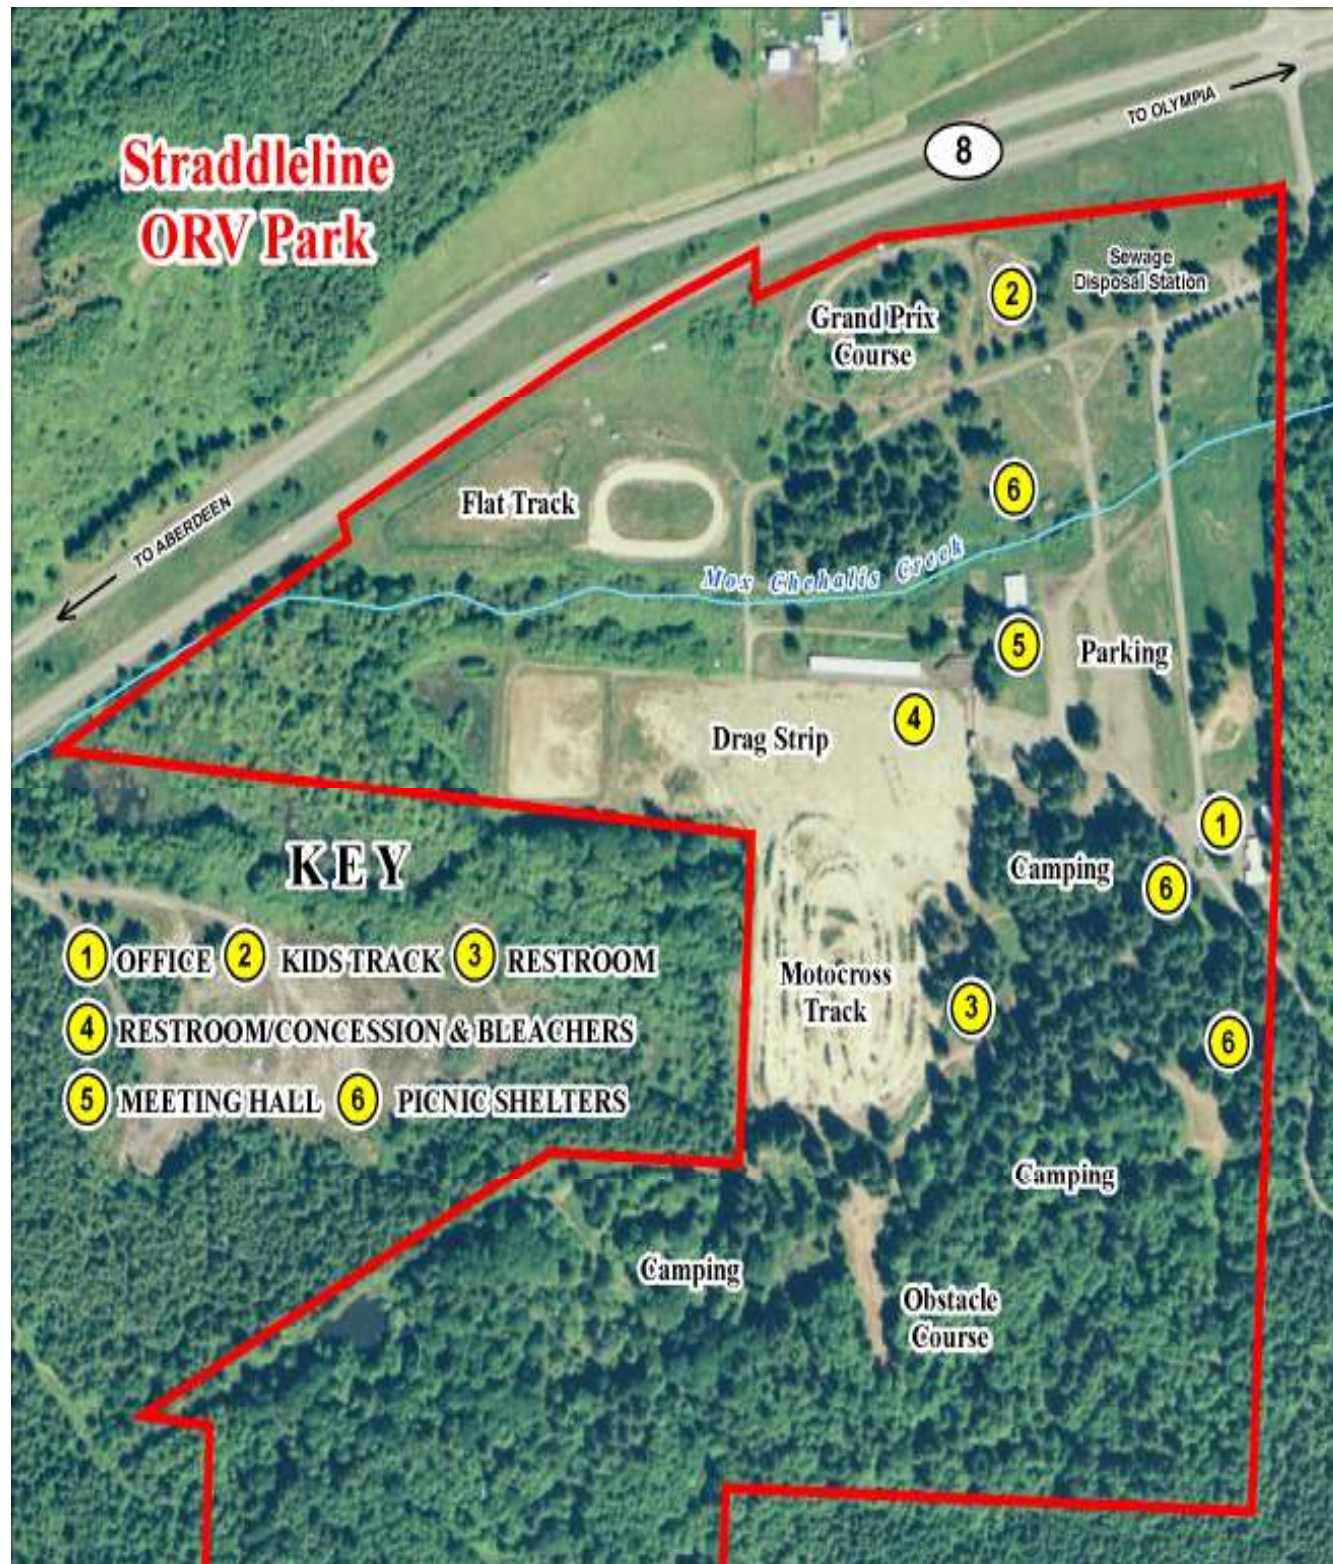

## WELCOME!

Welcome to the Grays Harbor County Straddleline ORV Park. Straddleline ORV Park is located on a 155 acre site along the Grays Harbor and Thurston County line. The site is adjacent to State Route 8 and divided between the two counties with 78 acres of land in Grays Harbor County and 77 acres in Thurston County.

Straddleline is an intensive use facility which includes 5 miles of bike trails in the park and access to over 100 miles of trails within Capitol State Forest. It offers over 150 acres of open riding, 1 mile MX track, 1/8 mile flat track, off-road courses, sand drag strip, kid's mini MX course, 4-wheel drive obstacle course, camp sites, meeting hall, restrooms with showers, concession stand with restrooms, covered grandstands, a main office and a caretaker's residence.

Grays Harbor and Thurston Counties acquired the site in 1977 with Thurston county managing and operating the park until closing it in 2002. Grays Harbor County reopened the park in October, 2005 after extensive time and labor donated by volunteers and with funding from the Washington State Interagency for Outdoor Recreation.

Welcome and enjoy!
