The minutes for June 10, 2009 were approved as written.

Hazmat Incident Review:

June 12, 2009: Unknown sheen in the Hoquiam River. Reporting party was the USCG. All agencies were notified as well. Responsible party unknown. Port of GH reported that sheen was dissipating.

New Business:

2010 HMEP Grant Application: The grant application is due by August 14, 2009. The Committee discussed the eligible projects and activities and voted to apply for the 2010 grant application to include funds for an exercise and support of the LEPC. Paul Dean, Dennis Benn, and Stephanie Allestad will be the grant committee and will meet to discuss and apply for the grant.

Westport Shipyard Contingency Plan: Denny Lawrence Environmental and Safety Coordinator presented the Westport Shipyard Contingency plan for the Westport and Hoquiam facilities. Joe Fairchild and Shekar Chittibabu were in attendance and are the safety managers for the two facilities. The Committee made some suggestions and the plan will be taken back to the facilities and revisions will be made. Denny will bring the plans back for a final review.

Tabletop Exercise After Action Report: Dennis Benn went over the After Action Report that will be sent on to Ron Wilson at State EMD (attached).

Next Meeting: August 12, 2009 10:15am
